**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to let you know we live in rural Va and have a wonderful internet service already, I am saying NO to price hikes that will increase the internet prices. Leave the internet for the people to choose on their own. Our local providers are wonderful and we do not feel the need to upgrade and have higher prices. Broadband is critical to our home and school systems.

Thank you!
